County of San Luis Obispo

TO: Board of Supervisors

FROM: Public Works
Jennifer Colvard, Accountant

VIA: Will Clemens, Department Administrator

DATE: 6/16/2015

SUBJECT: Submittal of a resolution to levy supplemental assessments for costs of San Luis Obispo County Flood Control and Water Conservation District: The parcels of Flood Control Zone 1 and 1A (Arroyo Grande Creek Channel and Los Berros Diversion Channel of Arroyo Grande Creek). District 4.

RECOMMENDATION

It is recommended that the Board, acting as the San Luis Obispo County Flood Control and Water Conservation District:

1. Approve the attached resolution to levy assessments for costs of San Luis Obispo County Flood Control and Water Conservation District: The parcels of Flood Control Zone 1 and 1A (Arroyo Grande Creek Channel and Los Berros Diversion Channel of Arroyo Grande Creek); and
2. Direct the Clerk to file the approved resolution with the Auditor/Controller/Treasurer/Tax Collector (ACTT) no later than August 10, 2015.

DISCUSSION

On June 6, 2006, voters approved an additional annual assessment to fund increased maintenance activities for properties in Zone 1 and Zone 1A, within the 20 year flood zone along the lower portion of Arroyo Grande and Los Berros Creeks. The proportional benefit was determined by an independent assessment engineer and the cost spread to each property within the 20 year flood area accordingly.

Each parcel receiving special benefit is proposed to be additionally assessed for the proportionate share of the annual cost of maintenance, approximately \$454,000 for 2015-16, with an annual increase of 3% per year.

The original annual assessment will still be collected as approved annually by the governing Board of Flood Control Zone 1 and 1A, and will be brought to your Board in a separate item.

OTHER AGENCY INVOLVEMENT/IMPACT

Tax Collector collects the charges on the tax roll, ACTT places the charges on the tax roll, and County Counsel has approved the Resolution as to form and effect. The County Clerk will file the Resolution with the ACTT.

FINANCIAL CONSIDERATIONS

Section 13 of the San Luis Obispo County Flood Control Act 7205 allows for the recovery of costs associated with maintaining, or improving the drainage basins in the subject drainage projects. The total of the assessment levied in Flood Control Zone 1 for FY 2015-16 will be approximately \$441,000, which represents 80% of the Zone 1 funding. The total of the assessment levied in Flood Control Zone 1A for FY 2015-16 will be approximately \$13,000, which represents 46% of that zone's funding. See resolution exhibit for amount charged each parcel.

RESULTS

This revenue will be used to finance flood control services within the respective districts resulting in an enhanced quality of life, as well as a safer, more prosperous community.
